CONSPIRACY AGAINST THE CONSTITUTION

"EISENHOWER CONSPIRACY" - SECOND PHASE: The first phase of the "Eisenhower Conspiracy", directed toward electing him as President in 1952 to serve as puppet for the accomplishment of the subversive purposes of the forces of the Invisible Government, has now been consummated through the wholehearted cooperation of Ike himself. Now comes the more difficult phase of getting rid of him, for he has outlived his usefulness to them. They would have disposed of him outright in 1956, but they needed him for one more dirty job which they could not accomplish without him - the election of Nixon. In collaborating in the plot to nominate Nixon - as F. D. Roosevelt collaborated in the plot to nominate Harry S. Truman - Ike blindly signed his own death warrant.

The people of the United States are now witnesses to the rare spectacle of the public assassination of the President of the United States. A situation exists parallel to that which existed at the end of the Civil War relative to President Lincoln (though Ike is no Lincoln). Then, as now, the forces of "Big Money", angered by Lincoln's monetary policies flouting them by fighting the war with interest-free "Greenbacks", were out to destroy him. Then, as now, the forces of Catholic Action, which had backed the South against the North to destroy the Union, and which hated him for his liberalism as well as for his monetary policies, were also determined to remove him. The final result was his sudden assassination through a conspiracy hatched in the Vatican and participated in by members of his own Cabinet in which all "prime movers" were Roman Catholic. (See "Fifty Years In the Church of Rome", by Father Chiniquy, a close personal friend of Lincoln).

Ike's removal will be more gruesome. Already the "Madison Avenue" public relations boys who built him up are ruthlessly tearing him down, under orders of the same paymasters who created the original "Eisenhower Myth". Here is a brutal conspiracy against the individual, but primarily against the safety of the Republic.

In an effort to bring this situation to the personal attention of President Eisenhower, on April 6th I wrote him a letter on the subject. Knowing how he is held as a prisoner in the White House, instead of mailing it to him personally I mailed copies, registered, to Mrs. Eisenhower; General Snyder, his personal physician; General Taylor, Chief of Staff of the Army; General Lucius Clay, his close personal friend; and General Willis Crittenger, President of the Association of Graduates of West Point. I know these military men well. Since I have received no reply from the President or from any of these individuals, and in accordance with my promise in the letter, I now bring it to the attention of the people as a matter of vital importance to the country. The letter follows:

Honorable Dwight D. Eisenhower,
President of the United States,
The White House, Washington, D.C.
Dear Mr. President:

April 6, 1957

As early as 1948, and repeatedly since then, I have warned you that any involvement in national politics in which you had no experience, would finally result in the destruction of your military reputation, and might cost you your life. The reasons are clear. The Invisible Forces which rule this country (primarily "Big Money" and Catholic Action), had but one purpose - to use you as their puppet to promote their own wicked purposes. To this end they built you up as a "Messiah" through press campaigns using the same techniques as they use to sell stocks, cigarettes or whiskey. They knew that when you could no longer serve their purposes they could destroy you as readily through the same techniques.

This latter situation has now arrived. As I stated before and after the 1956 political campaign, and as has now been clearly proven, they nominated you because only through you could they win control of our government, but the man they really wanted was Nixon. You were too unpredictable. They are ruthless, cynical men, utterly devoid of integrity. After building you up as a "spiritual" superman,

they discovered to their embarrassment that, too often, you - manifesting the role they had created for you - flashed out suddenly speaking a language of integrity and honesty which disconcerted them, broke up their schemes, and constituted treason to their purposes. It is hard to believe that you played this role of cat's paw knowingly. They had more confidence in Nixon, who had shown little scruple but much ambition, and who was sitting on the side lines like a substitute player at a football game, wetting his pants with eagerness to play your position.

After your election they counted on your physical deterioration to remove you from the scene, but you stubbornly refused to die. They have tried to high-pressure fast Congressional action giving you, or your cabinet, the right to declare your office vacant to permit Nixon to ascend the throne, but the Democrats will not permit this, charging that you try to desert the battlefield. You are now stuck with the job, and they are stuck with you, and the only remaining means of eliminating you is to kill you. They will try to worry you to death, but if this fails will not hesitate to use more effective means. And after you are dead they will desecrate your grave and your memory as they have that of Franklin D. Roosevelt. In the meanwhile they keep you a prisoner in the White House, isolated from those who might serve you.

Do not discount this analysis. The process has already started. A few months ago one seldom saw a derogatory statement concerning "Ike". Now one seldom sees an unqualified approval. The "prostitute" press, controlled by these forces, is out for your scalp. Fulton Lewis Jr., mouthpiece of the National Association of Manufacturers, and of the international cartel "party line", has opened a major, nationwide campaign to hold you guilty, personally, for the increase in the budget from six billion dollars under Roosevelt to 86 billion dollars under Eisenhower, carefully concealing the fact that those who employ him have created the debt in the first place, for their own aggrandizement. Your reputation is already in process of being torn to shreds by your own "friends". If they do not kill you by breaking your heart they will assassinate you as these same forces assassinated Abraham Lincoln, and - according to rumor - as they assassinated Franklin D. Roosevelt. The same kind of clique as was present in Lincoln's cabinet to plot his death is present in your cabinet.

In this situation you, as a soldier, have only one course open to you. You cannot commit suicide. You will not be permitted to resign. You can either submit to assassination, or fight back! as Lincoln should have fought back. Not to fight for yourself or your own life, but to fight for our Liberties and our Constitution, and our people, for which Lincoln gave his life.

There are few about you whom you can trust, but there must be some. Act now, and vigorously, before it is too late, to mobilize these friends, and to reorient the philosophies of the country away from the forces of national and international exploitation and violence, and back toward liberty, democracy, cooperation and good will.

You will need the help of every intelligent, devoted man you can find, who will fight for our country and our institutions. Once more I tender you my services in this emergency, not on any personal basis or out of regard for you, but on the higher level of regard for our country and our Constitution. You might find the qualifications I possess vital in the struggle. I should like very much to have the opportunity to discuss these issues with you personally.

Knowing how difficult it is to establish communication with you, I am addressing copies of this letter to you through those whom I believe might be trusted, in order to assure delivery. I shall hold each of them personally responsible for any harm that might come to you through any failure of action on their part, to assure delivery of this warning. This new "Eisenhower conspiracy" must be nipped in the bud, as the Lincoln conspiracy was not.

I shall hold this letter in confidence until the date of issuance of my next news letter, and if I have not heard from you in the meanwhile, shall then release it as widely as possible.

Very respectfully yours,

(Signed) Herbert C. Holdridge

The silence of Eisenhower confirms my earlier conviction that he has been, from the beginning, a willing and knowing accomplice of these forces of subversion - a glorious career from cat's paw to scape goat! I resume my own campaign to defend the Constitution, even against him.

CONSPIRACY IN EGYPT: John Robinson Beal, diplomatic reporter for Time Magazine, has written a book eulogizing John Foster Dulles as a master player of the game of international chess. He refers ecstatically to Dulles' brutality in pulling the rug from beneath the feet of President Nasser of Egypt on the Assuan Dam project, terming it a "gambit" to check Russia in the Middle East. Dulles faintly denies the conclusion and waives aside the praise. But neither Beal, nor Henry Luce, nor Dulles, nor Eisenhower, utters a word of remorse for the poverty-stricken people of Egypt to whom the dam meant food and a tolerable existence. A grand game of chess, played by the offspring of Cain, with Lucifer standing behind each elbow, inspiring every move designed to destroy human beings! And Ike calls Dulles the greatest Secretary of State in our history!

CONSPIRACY IN GREAT BRITAIN: Following Ike's conference with the British Prime Minister, the London press reports a cut in taxes for the British people, and in the same edition reports a "loan" from the United States in an equivalent amount. The conclusion is clear. The overburdened, bankrupt U.S. taxpayers are given the added load of paying taxes for the British people - the "Eisenhower Doctrine".

CONSPIRACY FOR WORLD WAR III: Fears are growing that the Ike-Dulles team of master-chessmen has made secret commitments with the master-chessmen of Great Britain for the use of our stock-pile of H-bombs against Russia, to permit Britain to reduce costs of her armed forces by demobilizations. Russia serves notice that she is prepared to counter this threatened violence with equal violence. The people of the NATO Alliance in Europe will be the primary victims. Russia can accomplish their annihilation in a matter of minutes. They play "Russian Roulette" with all chambers of the gun loaded.

ABORTIVE CONSPIRACY IN SAUDI-ARABIA: Ike's eager attempts to sell out the American people to Standard Oil through agreement with King Saud of Arabia has come a cropper. King Saud, a shrewd chess player in his own right, did not succumb to Ike's attempted seductions after all. Saudi Arabia stands with Nasser in the Arab world, to eject U.S. ships acting as blockade-runners for Israel in the Gulf of Aqaba. More power to King Saud! When the West finally returns to moralities (if ever), it will learn that it can purchase in Arabia all of the oil it needs for legitimate purposes, without resort to armed robbery. Our master-chessmen have been checkmated.

CONSPIRACY IN THE LAND OF THE HOPI INDIANS: When the smell of oil and opportunity for exploitation permeates the land no nation, no matter how inconsequential, is safe. Enclosed with this mailing is a statement concerning the crisis among the Hopi Indians. They have always been an independent nation, have never signed a legal treaty with the United States limiting their sovereignty, and have resisted valiantly all encroachments on their territories. Now comes the prospect of oil and other mineral resources of the Hopi. Indian agents, illegally appointed, make illegal agreements with small factions created for the purpose to destroy Hopi unity. They make illegal agreements covering illegal demands of the Navajos in Hopi territories to set nation against nation. Illegal methods of voting are introduced, on the best pattern of Tammany Hall. Ballot boxes are stuffed, and the criminal techniques of outlaw politicians are applied to cheat these people of their heritage and destroy them as a nation. Unless the Great Spirit (their only hope), comes to their aid, they will find themselves dispossessed of their lands and left to starve as the Arabs of Israel were dispossessed and left to starve by that Satanic master-chessman, John Foster Dulles.

CONSPIRACY IN CONGRESS: With a great show of indignation and virtue Senator John Mc Clellan presses home charges of malfeasance against Dave Beck of the Teamsters Union. Waste no sympathy on Beck, for he is receiving what he deserves. But Beck is a small-time operator in comparison with the virtuous Senator Mc Clellan, who conspired with oil men to prevent an investigation of contributions of oil men to campaign funds; who collaborates freely with Catholic Action, the most subversive institution in the world, which he is bound to investigate as chairman of the Senate unAmerican committee, thereby perjuring his oath of office; and who eagerly follows the "party line" of the Wall Street international oil gangsters as they involve us in Ike's Middle East Doctrine of bribery, violence and world suicide. When Mc Clellan commences to investigate Mc Clellan we shall witness a truly magnificent performance! That'll be the day!

JESUIT (VATICAN) CONSPIRACY: Here is grand conspiracy, continued throughout the ages, for control over the minds and spirits of "free men" to soften them up to make them an easy prey for the other conspiracies - a conspiracy to further the mammonistic, secular ambitions of the Jesuits (Vatican) to establish a world theocracy under the Pope - a conspiracy which did not hesitate to inspire Franco to import Arabs from Africa to slaughter devout Roman Catholics in Spain - a conspiracy which has declared perpetual war against the principles of liberty written into our Charters of Liberty - a conspiracy as closely bound to the international cartelists of "Big Money" as one Siamese Twin is bound to the other. (Read Avro Manhattan's "The Dollar and the Vatican".)

CONSPIRACY OF THE INTERNATIONAL CARTELISTS: Here is the grand conspiracy underlying all other conspiracies - a conspiracy founded on greed, exploitation and world violences - a conspiracy that has swept across the United States as the hordes of Jenghis Kahn swept Europe, plundering, pillaging, and slaying - a conspiracy that has drained off our youth and bankrupted our country to fight its wars of conquest - a conspiracy that has seduced politicians, priests, labor leaders, educators, and which now sets the stage for the annihilation of world civilization through the H-Bomb.

CONSPIRACY IN GOVERNMENT: Under the most generous interpretation of their official acts, there is not one public official in Washington in any position of decision who has not perjured his oath of office to defend the Constitution, and who has not abdicated his authority to these two major conspiracies of Jesuitism and Cartelism. Constitutional, lawful government has ceased to exist in Washington - in Executive Departments, in the Supreme Court, in Congress. We are ruled by perjurers, conspirators, homicidal maniacs, and political scavengers.

In this crisis we face the total destruction of our cherished liberties. Ike, the "Petain" of our contemptible, collaborationist, "Vichy" government, will give way to "Slippery Dick", the barbaric, ruthless "Hitler" of outright Fascism, and the Republic will cease to be.

By the invariable law of cause and effect, the people will get exactly what they deserve. In Eisenhower they see themselves at their worst. Through lack of moral courage, ignorance and inactivity, they have become accessories before and after the fact of every conspiracy perpetrated against them and against our Constitution. Having created the situation in the first place by abdicating their sovereignty, they alone can restore Constitutional government, but this will require such sacrifices as they have never before been called upon to contemplate. The innocent will suffer with the guilty.

POSITIVE SOLUTIONS: Regeneration begins within. There can be no action until someone acts. The atom bomb is exploded by first exploding a single atom, which, in turn, explodes two others, and so on until a tremendous chain reaction has been fired. There can be no positive solutions until each individual first assumes personal responsibility to become that first atom, exploded by inner forces of spiritual understanding, courage, intelligence and power. If you wait for someone else, you await a dictator.

Here are three things that you can do to start your own chain reaction to restore Constitutional government; (1) You start a taxpayers' strike to refuse to pay taxes to finance the foreign murderous adventures of Wall Street and the Vatican; (2) You start a strike of parents and young people against any service under the draft laws to sacrifice our youth on the altar of international violence to advance the purposes of these invisible forces; (3) You start a movement to eject the secular influence of the Jesuits (Vatican) from within the United States. This you must do to defend our Constitution. If you, and you, and you, - a thousand, a hundred thousand, a million yous will stand together for these righteous purposes you will be invincible. I write these News Notes to do my share. I have taken my stand openly against the perjurers and outlaws who have undermined our Constitution. Where do you stand?

Yours in the cause of liberty,

Herbert C. Holdridge
